Alorra Piling is committed to being an ethically and morally responsible company and has developed an Integrated Management System that seeks to comply with AS/NZS ISO 9001:2016 Quality Management Systems.

Alorra Piling is committed to:

- Providing high quality products and services to our customers
- satisfying all applicable quality and regulatory requirements with the aim of maximising customer satisfaction
- maintaining, measuring, reporting and reviewing measurable objectives and targets for the purpose of driving continual improvement
- the establishment, implementation and maintenance of the criteria and methods required for the effective operation and control of quality processes
- identifying risk and opportunities associated with the conformity of our products and services
- identifying, evaluating and correcting non-conformances associated with our products and services
- encouraging employees to participate in quality improvement activities
- implementing, maintaining and continuously improving our Quality Management System to enhance performance
- providing adequate resources to achieve the intent of this policy, objectives and targets and all elements of our Integrated Management System to the standard of AS/NZS ISO 9001:2016.

The success of Alorra Piling's Integrated Management System is dependent on the achievement of these objectives which can only occur when open and honest communication exists between all levels of management and the workforce.

The implementation of the Policy is the responsibility of all employees with the support, direction and commitment of Senior Management.
